

Corporate guidelines

Guidelines provide information that assists a user to undertake a procedure or process. It includes:

- Best Practice Guides
- Checklists
- Fact, Information or Tip Sheets
- Frequently Asked Questions (FAQs)
- Manuals
- Work instructions

The Department's corporate policies can be found at:

- [Corporate](#)
- [Infrastructure](#)

Where a guideline has been developed in association with a procedure, the guideline may also be located on [Procedure Register](#).
