Department of Education

Integrity policies and procedures

This page is under construction. Please contact [PPR](#) with any questions.

The Department of Education is committed to the maintenance of high standards of integrity, conduct and financial management. Integrity is managed through a collection of tools (legislation, policies, procedures, etc.), which together determine how staff are to behave on a daily basis, and that help the us to build an integrity-based culture that will resist fraud and corruption.

Policy	Implementation date	Scope
Appropriate and ethical use of public resources	20/12/2019	Department of Education and Citizenship Services
